- # BIT 4454 Business Analysis Seminar in IT
- # BIT 4514 Database Technology for E-Business
- # BIT 4524 Internet Systems Development
- # BIT 4554 Networks and Telecommunications in Business

GENERAL INFORMATION

This checksheet applies to students completing their degrees in calendar year 2010 in the terms ending May, June, August, or December. A total of 125 semester hours is required for graduation. At least 50% of the curriculum should be taken in general education courses (all courses outside the Pamplin College of Business plus BIT 2405-6, HTM 2454, HTM 3414, HTM 3464, and HTM 3484. All economics courses are outside the college.) To meet this criteria **students in the DSS option (I) must take 12 semester hours of the 17 semester hours free electives outside the departments of ACIS, BIT, FIN, HTM, MGT, and MKTG.** Any exceptions to this curriculum must be approved by the student's Department Head and the Pamplin College of Business Associate Dean for Undergraduate Programs.

Transferring courses: At least 50% of all Business credits taken in ACIS, BIT, FIN, HTM, MGT, or MKTG required for the degree must be taken at Virginia Tech. Additional requirements and procedures for transferring courses are available in the University Catalog and the Pamplin College of Business form, "Authorization to Take Courses Elsewhere."

In-Major GPA: The GPA for the Business Information Technology major includes all College of Business junior and senior core courses, and all courses listed for the options. These courses are indicated above with a #.

Language Requirement: See "Entrance Requirements," University Catalog. College-level foreign language credit used to meet this requirement may not be used to satisfy the minimum number of credits required by the degree.

FOOTNOTES

- ¹ Prior to enrolling in junior business courses, students must have earned at least 60 semester hours; have a GPA of 2.0 or better in the combined series in MATH, ACIS, BIT, and ECON courses with no grade lower than a C- in any of these courses; and have a cumulative GPA of 2.0 or better for all coursework. To graduate, students must have an overall GPA of at least 2.0 and an in-major GPA of at least 2.0.
- ² Students entering before Fall 2005 must complete the Freshman English/Communication Skills requirement in addition to another six credit hours from approved Writing Intensive (WI) courses, three of which must be within their major (see senior year).
- ³ Social science courses should be selected from any courses in Economics (beyond Principles), Geography, History (except 1024, 1025, 1026, or 2054), International Studies, Political Science (except 3015-3016), Psychology, and Sociology; or any course approved for Area 3 of the University Core.
- ⁴ COMM 2004 Public Speaking is required for all Business majors who did not take COMM 1015-1016. It may be completed in the sophomore, junior or senior year.
- ⁵ Free electives must include at least one hour from the University Core Area 6: Creativity and Aesthetic Experience. The University Core Area 7: Critical Issues in A Global Context, may be used to meet another requirement or taken as a free elective.
- ⁶ Equivalent Math courses may be substituted. Completes the University Core Requirement in Area 5: Quantitative and Symbolic Reasoning.
- ⁷ Depending on the student's emphasis and as long as the prerequisites are met, courses that will satisfy the BIT elective requirement include:

Option I Electives

- BIT 3454 Quality & Process Improvement Methods
- BIT 3464 Enterprise Planning & Control Systems
- BIT 4434 Computer Simulation in Business
- BIT 4464 Supply Chain Management
- BIT 4474 Global Operations & Information Technology
